

Maynard Road Corporation was established in 2006 as a Non-Profit Entity organized pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Maynard Road Corporation's primary purpose is to support the redevelopment of the Housing of the City Meriden's housing portfolio and the development of new affordable housing through the use of mixed finance to create mixed-income and mixed-use properties throughout the City of Meriden but primarily with the City Transit Oriented Development (TOD) District. MRC has a five member Board of Directors, which coordinates its activities and implementation of its strategic plan.
